MEDIA RELEASE

29 March 2007

DWS Delivers and Acquires in Sydney

DWS is pleased to announce that we have entered into an exclusive Heads of Agreement to acquire GlobalSoft Australia Pty Ltd. (GlobalSoft). This is subject to satisfactory completion of due diligence.

GlobalSoft provides specialist IT Consulting Services in the area of Business Intelligence, Data Warehousing, Data Migration, Enterprise Architecture, Application Development and Business Process Integration. They typically deliver these services to Australia's Top 200 enterprises and large government departments.

DWS CEO, Danny Wallis commented, "This is a perfect fit for DWS. There are many cross client and skill synergies to be gained from this union."

GlobalSoft Managing Director, Mr Tony Nicol stated "We are excited with the acquisition and what it means for our business and our staff. By having a public company behind us we have raised our profile both in the market and with our clients".

With this acquisition, DWS will take on 40 consultants, thereby effectively doubling the size of the Sydney Business.
